Uma Jolie has bedroom eyes and a knowing stare that cuts right through us. She sees into our perverted souls. "I know what you're thinking," Uma says, spreading her mile-long legs, and fingering her glistening, pink nub. "You're thinking about what it feels inside my pussy. You want to know how tight it is around your cock ... how the juices will taste on your tongue..." Actually, we're wondering if we can hit your eyes with our jizz from here.

LESBIAN ANAL ASSES

LESBIAN X

★★★★★

Directed by Mason
Starring: Mia Malkova, Anikka Albrite, Keisha Grey, Kristina Rose, Harley Jade, AJ Applegate, Jada Stevens, Abella Danger

Lesbian anal asses are delicate and precious, and must be handled with care. Director Mason knows this—and will fully ignore it—in *Lesbian Anal Asses*. Instead Mason chooses to barrel-roll through the tender assholes of her willing cast—Mia Malkova, Anikka Albrite, Keisha Grey, Kristina Rose, Harley Jade, AJ Applegate, Jada Stevens, and Abella Danger. You won't find a hornier group of ass-lovin' lesbos, and Mason captures all the sphincter-stretching action in magical hi-def. This movie really takes you inside its stars! For hot, nasty, lesbian sex, it doesn't get any better than Lesbian X's *Lesbian Anal Asses*.

RAW 28

EVIL ANGEL

★★★★★

Directed by Manuel Ferrara
Starring: Abella Danger, Angela White, Ashley Adams, Brandi Love, Karlee Grey, Manuel Ferrara

Director Manuel Ferrara isn't re-inventing the wheel. He's bare-backing hot starlets in tastefully decorated bedrooms and on beige couches. Good man, Manny! In *Raw 28*, Manuel Ferrara takes his camera off-set to document intimate private dates with his co-stars. *Raw 28* is bare-bones boning, mixing straight, single-cam footage and close-up POV action. With no distractions, the passion is explosive. Super-busty blonde MILF Brandi Love sucks Manuel's enormous cock, while naturally voluptuous Australian Angela White impales herself on Manuel's fat shaft and squeezes it with her soft jugs. Latina spitfire Abella Danger takes an intense anal fuck, while curvaceous young Karlee Grey steals the show, mounting Mr. F for a long, sweaty ride. All this—plus road head from Ashley Adams! *Raw 28* hits the spot!

XXX RUB DOWN

DIGITAL SIN

★★★★

Directed by Eddie Powell
Starring: Aidra Fox, Bailey Brooke, Kylie Page, Lena Paul, Damon Dice, Toni Ribas, Logan Pierce, Mick Blue

Rub-n-tug massage parlors are as American as Mom's apple pie, and Digital Sin director Eddie Powell takes us to the filthiest full-service jack shack in town in *XXX Rub Down*. Aidra Fox, Bailey Brooke, Kylie Page, and Lena Paul star as massage chicks who stroke thick dick, often offering a bit more, spreading pussy—and even ass—to accommodate their hard-n-horny clients.

Eddie P. creates a massage parlor patron's wet dream—pretty, all-natural, all-American babes who are DTF. At times, *XXX Rub Down* gets a little too sensual and lovey-dovey for our jaded dicks, but it's still beautifully shot, beautiful young ladies getting oiled up and pounded hard, and that's nothing to shake a dick at.

DIRTY ROTTEN MOTHER FUCKERS 6

JULES JORDAN

★★★★

*Directed by Chris Streams
Starring: Alura Jensen, Brandi Love, Eva Karera, Jessica Jaymes, Maxine X, Erik Everhard, Lexington Steele, Manuel Ferrara, Ramon Nomar*

Director Chris Streams is a man who understands women. He knows that women reach their sexual peak a bit later in life, and he captures the sexual glory of MILF holes in *Dirty Rotten Mother Fuckers 6*. Lexington Steele plays a cop who protects and serves Alura Jensen with his big, black nightstick. Brandi Love works out on Manuel Ferrara's love muscle, while adventurous Eva Karera opts for double penetration, coaxing both her husband and her boyfriend to play nice inside her fuck-holes. Manny gives his English teacher, Jesse Jaymes, a lesson she'll never forget, while principal Maxine X sexually harasses—and satisfies—a horny student. Good stuff!

CUM BLOW YOUR HORN

19 PERVERTED PODCASTS FOR RABID SEX FIENDS!

BY PETER THOMPSON

The host's voice is pure public radio—that affected nasal delivery full of over enunciation and pregnant pauses, all delivered with that trademarked velvet restraint meant to muster a sense of intimacy. But his female guest, Vixxen, a self-described “star-fucking butt slut” with a speech-impediment, is panting like a sick mutt in a hot car while dishing out a decades-old anal odyssey. It's a horrible, horrible story, yet her unbridled enthusiasm for backdoor violation keeps you listening to the very end. The show cuts to a musical interlude and then six windows for a Mexican sports betting website open on my browser and my virus alert starts going off like an air-raid siren. I don't return to find out how Vixxen's fiasco ends, but when I do a few days later the site has completely vanished.

So much for “Dirty Panty Party Girl Wadcast,” just one of hundreds of new sexually themed podcasts available for anytime listening online.

Sexworld 2017

Two decades into the Digital Revolution and total cultural ubiquity of the Internet and several things are now more apparent than ever. There is now, pound for pound, more Internet porn than virtually anything else ever in human history. This year alone more than 966 exabytes of smut (that's 966 followed by 18 zeros) will be dumped online and porn prognosticators say that that number will only grow exponentially until the universe is more “blue” matter than dark.

An alien civilization watching our species from afar might assume that the totality of all human endeavors is dedicated to the creation and dissemination of porn.

The fabled Library of Alexandria and its unrivaled accumulation of human knowledge has been eclipsed a million times over by the dark inundations of tube sites and their oceans of fantasy content: college dorm creampie, BBW face-sitting, amateur Asian gloryhole, big tit blonde casting-call, and double penetration midget videos.

The pushback from the all-digital life has taken different forms, at least one of which is the modern audio renaissance, aka the podcasting revolution. The comparably humble medium, once relegated to niche status and dismissed as “unprofitable,” has suddenly shot to the top with a fury of rocket-propelled topics from politics to porn. It's currently experiencing gold rush status. After so much visual smut, it seems that we've rediscovered the intimate thrills of old-fashioned radio broadcasting. We've found our voice, essentially, by talking dirty.

While network TV trumpets its “Golden Age” of programming with its top talent and more and more weekends are lost to the phenomenon of “binge-watching,” many folks are beginning to suffer from “pixel fatigue” and are turning instead to the less in-your-face medium of spoken word sex.

Podcasting, like radio, is an entirely different sexual tool, one that demands a level of active participation. Listeners are rewarded with a more satisfying experience not always found on their plasma screens.

Latest estimates count north of 50 million podcast listeners tuning in every month in the U.S. alone. After doubling in the last few years, the audience is still growing at a remarkable 25 percent rate annually. It's such a powerful medium even mediocrity merchants like comedian Marc Maron and his twice weekly “WTF” podcast enjoy a listenership in the millions. From one unfinished basement to

another, popular podcasters have become 21st century tastemakers and millionaires.

From FDR-style fireside fuckchats to more traditional narrative-driven fare, podcasting poses few hurdles when getting started (all you need is a computer, web access, and a voice).

That said, virtually “everything goes” in the world of XXX podcasting and the limits are constantly being broadened. As you will learn, *NOTHING* is off limits and with absolutely no governing body to contend with anything goes and, more importantly, everyone *cums*. Some of the most fucked up shit you could never even imagine is routinely addressed in this bizarre new clusterfuck of audio ore.

**“WE'VE FOUND OUR
VOICE BY, ESSENTIALLY,
TALKING DIRTY.”**

This can mean a woman shoving a vibrator with a built-in microphone up her pussy while she has anal sex for the first time.

And, without adequate quality control, sometimes the microphones are placed so close you can actually hear the “squish” as a well-lubed dildo makes a guest appearance. There's feedback and farts. People cough, sneeze, and puke and it's all part of the charm that is podcasting. Not surprisingly, the new generation of shock jocks is a normal mix of people in love with the sound of their own voice.

But if you can create something worth listening to and somehow captivate an audience, you can make a nice living telling your filthiest sex stories or acting out your kinkiest fantasies for the listening public.

With an estimated 100,000 podcasts of varying quality and quantity being produced or “curated” in the U.S. alone, you'll hear plenty of celebrity guests and wannabe stand-up comedians giving it their best shot.

That said, we've done the legwork for you and actually listened to hundreds of hours of sex-themed podcasts in an attempt to praise the strong and belittle the weak.

MY DAD WROTE A PORNO

www.itunes.apple.com/us/podcast/my-dad-wrote-a-porno/id1044196249?mt=2

The title just about says it all, yet at the same time doesn't even begin to

explain the hilarity. It seems that British host Jamie Martin's father reads sex scenes from a porno his father actually wrote entitled "Belinda Blinked," under the pseudonym Rocky Flintstone. Belinda may have blinked, but it's a wonder her eyes aren't pasted shut. With episodes like "Helga Turns it On," and "Amsterdamm," My Dad Wrote A Porno goes there—again and again and again. It's Benny Hill with depraved sex acts, horrible dialogue, and a sex-crazed sales consultant. While that might not sound all that entertaining, it actually is. Jamie Martin's dad wrote a porno—so you're dad didn't have to.

GUYS WE FUCKED

www.soundcloud.com/guyswefucked

This pair of fuck-worthy N.Y.C. bitches grab ahold of your balls and don't let go. This iTunes podcast is hosted by horny comedians Corinne and Krystyna, who conduct intimate bedroom post-mortems and interview the men they've just banged. And don't even think of slut-shaming these two. They won't have it. Episodes tend to last about 90 minutes and feature topics like: "Not a Teen, Not Yet a MILF" with guest star Jon Ronson, and "What's Sign Language for 'Lesbian Text-Based

Erotica'" are smart, funny, and, like the duo, pretty damn hot. Throw in a dash of occasional porn star guests, like Stoya and it's a sure recipe for success. It's a "sex-positive" slant, but "unashamedly gross," one full of sexy details, dispatches, and whore mus-

ings from the front lines of late-night fluid exchange. Somewhere, assuredly, legendary broadcaster Paul Harvey is rolling over in his grave.

SHANE AND FRIENDS

www.soundcloud.com/shandand-friends

Shane has more than half a million friends, or at least listeners, who tune in to have the sexually ambiguous Shane casually ask his friends poignant questions like "Would you let me sit on your face?" In one memorable episode Shane admits a preference for jacking off to cuckold videos, while interviewing sex stars and *Teen Mom* Farrah Abraham. Another episode has "fart-core" aficionado Tana Mongeay, a young blonde fart sex gourmand, talking about what to wear to have better fart sex. The discussion is interrupted when the woman demonstrates her tooshy-tech by repeatedly busting ass into the microphone. It's crass,

coked-out chatter, and other times a female guest raps about a guy who wants to pay her \$10,000 to eat her chicken nuggets. But "chicken nuggets" is just another disgusting euphemism. Truly anything goes on Shane and Friends, the "Live with Kelly Ripa" for sick and twisted sex fiends, but make sure to bring some air freshener.

Yes, at first it sounds like it could be awful. Hosts Victoria Davis, Sheri Barclay, and Laura Jean Moore broadcast from the, er, KPISS recording studio, named purportedly for the smell found inside the Bushwick shipping container in which said recording studio was built out of before it was remodeled and, hopefully, disinfected. The tawdry trio describe themselves as three "queer, crass, and clever minds who get together to dish on sexuality, and fucking," from "trans stuff to heteroshit" with an eye towards "the general mayhem of sex and dating in NYC." The most recent episode began with host Victoria Davis describing her most recent date: "I'm a cis-gendered lesbian and I had ended up on a date with

a trans woman..." It's worthy to note that Vicky's stated goal was to have a "slutty summer" full of casual, freaky sex. Whatever it takes to keep the show fresh and full of rancid raunch.

SEX WITH STRANGERS

www.sexwithstrangerspodcast.com

Every Monday, host Chris Sowa's sexy voice will get you hard and her sex industry guests—from street whores, to phone sex workers, to amateur porn actors—will get you off with their filthy stories and round-table debates over academic topics like "Sex With Mormons," "The War On Porn," and "Paying For Sex." It's a lot like back in the day when everybody had landlines and you'd pick up your cordless phone and luck into listening to your next-door neighbor having phone sex with her lover. Good times!

ASK WOMEN

www.m.soundcloud.com/askwomen

Sexpert & adult magazine model Ryan Keely joins her girlfriends as they weigh in on what women really want in the bedroom and the normal bullshit wine-drunk women talk about when they think they're alone, except, of course, when they're actually broadcasting to tens of thousands of horny guys and girls tuning in and turning on. What do two female comics and a professional wing girl have in common? Who cares? It's a realistically raw and

Aletta Ocean is one of porn's top stars, but she rose from humble origins. "I grew up in a small village near Budapest," Aletta explains, her voluminous breasts making our mouths water. "Our town was so tiny, the phone book only had one yellow page!" That's funny, Aletta! We grew up in a small town, too, but we can't go back because of restraining orders and "allegations" of lewd behavior. Damn, nosey neighbors!

PRESENTS **INTIMATE STORIES** AND XXX ADVICE

WITH...

ASA AKIRA

ALL PHOTOS COURTESY OF WICKED

PORN VALLEY, CA—One of the most celebrated, respected, and dirtiest performers, Asa Akira may fuck like a filthy whore, but she is one hundred-percent class. You gotta be to be a Wicked girl, a title Asa cherishes. With *Takers*—torn from today's political headlines—Asa shows off her acting chops in one of the most critically acclaimed releases of 2017.

Can you tell us what the film is about and describe your character and what her role is in the film?

It's hard to describe my character in this movie without revealing too much, and I love that fact. I can say that I'm playing an ultimately well-intentioned woman who's indebted to some very dangerous people. The film is absolutely inspired by the recent political climate, which is obvious once you watch the movie. The scariest (and my favorite) dystopian visualizations are always the ones that feel like they're not that far-off, and I believe this film is exactly that.

Did you have any input in your character's development?

On this particular project, no, not directly. Although, upon reading the script, I got the feeling Brad Armstrong wrote this character with me in mind. Something Brad does well is capture our real-life mannerisms and cadence in

the dialogue. What's on the paper is most often verbatim what makes it to the screen, and I think it's due to the fact he's so observant when it comes to the way the performers act off-camera.

How long did production take?

We shot over seven days, but the entire process—pre-production, rehearsals, editing and post—takes months.

Regarding your sex scenes, who did you perform with and can you describe working with each of them?

Aside from two boy-girl scenes, I got to work with Ana Foxxx for the first time, which was every bit as hot as I'd anticipated. We had a three-way with Kleio Valentein, who has always been one of my favorite women to have sex with. I think something most people don't know is how hard it is to have a great lesbian three-way. Just the logistics alone are difficult—what goes where, how to position everyone so that they're visible on camera, how to distribute orgasms as evenly and fair as possible. Often, it feels like someone ends up getting left out, or if all three participants aren't exactly in the same mode, it throws everything out of whack. It's a very fine-tuned dance. This scene was one of those beautiful moments where we all just vibed, and rode the same exact sexual wavelength. It was incredibly horny and I'll never forget it.

Can you describe what the days are like on set?

Every day on a Brad Armstrong set is a treat for me. Don't get me wrong, they're long and hard, (*Laughs*) but you always get that feeling you're part of something that's gonna be really great. He always uses the same crew of awesome people, so

it has a very familiar vibe. Everyone is happy to be there, and it's always a lot of fun.

This is a big feature release for Wicked. When it comes to awards, would you rather win an award for your acting or for your sexual performances?

I'd always prefer to win an award for my sexual performance, because this is porn after all. But because I'm more confident in my sexual abilities than my acting ones, it would be really gratifying to win an acting award.

Do working on big budget films wear you out physically?

No matter the budget, porn is a very physical job. I don't think we get enough credit for that! Sometimes scenes leave me out of commission for a week or two. I'm not saying it's not worth it, because it absolutely is. But porn is most definitely a physical job.

You've been in the business as a performer, director and have won multiple awards. What keeps you going, what keeps you motivated to continue working in the business?

It's simple . . . the sex. I wish I had a better or more complex answer, but I don't!

What have been the highlights of your Wicked career?

There have been so many. On a personal level, becoming a Wicked Girl, that fact alone was big for me. I've wanted to be a Wicked Girl since before I was even in porn, and the novelty has yet to wear off. I've done my

hottest scenes for them, I've done so many "firsts," I've been a part of projects that no other company would be capable of shooting, and I've made so much smut that I am just so proud of.

What's next for you?

I'm currently filming a movie for Hank Hoffman called *Tell Me Something Dirty*. This is my first Wicked production for Hank Hoffman. I'd worked with him before signing with Wicked Pictures, and I'd forgotten how much I love shooting for him! Hank has a very modern vision and shooting style that strays from the typical porn we are used to, and I'm so happy he's at Wicked now.

There's something happening here—what it is ain't exactly clear. It seems Ella Milano is riding Evelin Rain's face, while Layla Rose is knuckle-deep inside Ella's juice-box. **But we can't be sure...better get a closer look.** Now it appears Evelin is licking Layla's pink butthole, while Ella drills her tongue into Evelin's twat. Closer still, and we can see the pink ribbing of Ella and Evelin's stretched pussies, and the black depths of Layla's gaping bung-hole. **Hmm, we'd better get naked so we can take an even closer look!**

hilarious perspective on what women ACTUALLY desire in the bedroom, all in sticky, lick-by-lick detail.

SOURCEFED PODCAST

www.m.soundcloud.com/sourcedfed-podcast

Weird, kinky sex banter, but moderators not afraid to address “everyday” issues like: “What do you do when your dick accidentally touches the inside of a toilet bowl?” Sourcedfed is all about “too much information.” Everything from

the pros and cons of twerking during anal sex to the lowdown on dining on unsanitary penis. A recent

episode discussed the merits of anal hair for butt sex purposes as well as a lively debate on women with pussy hair: What do you do if you go down on a woman and her wicked garden needs a pair of hedge clippers? Good information for bad people.

SAVAGE LOVECAST

www.savagelovecast.com

The Savage Lovecast is pretty standard, almost mainstream fare, as it's been the podcast home of advice columnist and sex guru Dan Savage since 2006. The site gets a mention for being in its 11th year of podcasting, making it one of the OG's of the pod business. Like the popular '90s radio show *Loveline* (once hosted by Riki Racht-

man and refereed by Dr. Drew), where you can listen to vanilla

guests like Judd Apatow discuss sexual stuff, plug his movies, and tell stories about Seth Rogen that you don't want to hear. Treat it like a palate cleanser, a glass of inoffensive water, and then tune into something really dirty to realize just how far the sex advice help genre has come.

THE KISS ME QUICK'S EROTIC SEX STORIES

www.thekissmequicks.com

Host Rose Carawayne just wants to

get you off. With her sultry voice she intimates short sex stories lasting minutes, all the way to two hours (we didn't last quite that long) like “The Sexy Librarian,” about a librarian who is breathtakingly sexy and has repeated sex in the library; it's the perfect ammunition for a quick wank or a more relaxed evening of *Hide The Salami*.

THE KINK PODCAST

www.podomatic.com/podcasts/thekinktvshow

The People of Kink tell first-person stories, navigating the dark world of kinky sex, fetish, and dark fantasies that would make the Marquis de Sade wake up screaming. Don't forget your safe word—you're going to need it!

SEX IS FUN

www.sexisfun.net

A show for couples which explores fantasies you can both listen to while doling out hot tips to maximize enjoyment and pleasure while checking out each other's undercarriage. Sex guru Kidder Kaper, Laura Rad, and Coochie, the hopeless sound engineer, remind you of typical morning meat puppets, except the sound of their voices doesn't make you want to put a handgun in your mouth and eat a clip of bullets for breakfast.

FUCK ME HARDER

www.mariahfreya.com/dirty-talk-during-sex

Not to be confused with the gay prison fantasy podcast, “Fuck Me Harder, Peckerwood,” host Mariah Freya shouts, “I love cock!” from the rooftops as she takes the listener through a

“pussy worship workshop,” that explores the art of the delayed orgasm,

and comes up with incredibly sexy ideas for busting out of your routine sex life by making you and your beloved more comfortable with every filthy facet of sex and encouraging you to go out and do it in the road, just like the song says. Fuck Me Harder? Any time!

PEACHBOOTH'S SUGAR CAST

www.peachbooth.com

Listen in to the conversations of a real phone-sex hotline with a focus on the bizarre and hilarious highlights of an unsuspecting mook having a full-on phone wank. It's free to call in and talk to the sex operators, but be forewarned, your call might make it on the air the following week and you might have to listen to yourself begging some bimbo to sniff her dirty panties. Anything goes and everything happens. Nothing is taboo and the host operators do their best to get the caller and the audience off no matter how hardcore the kink.

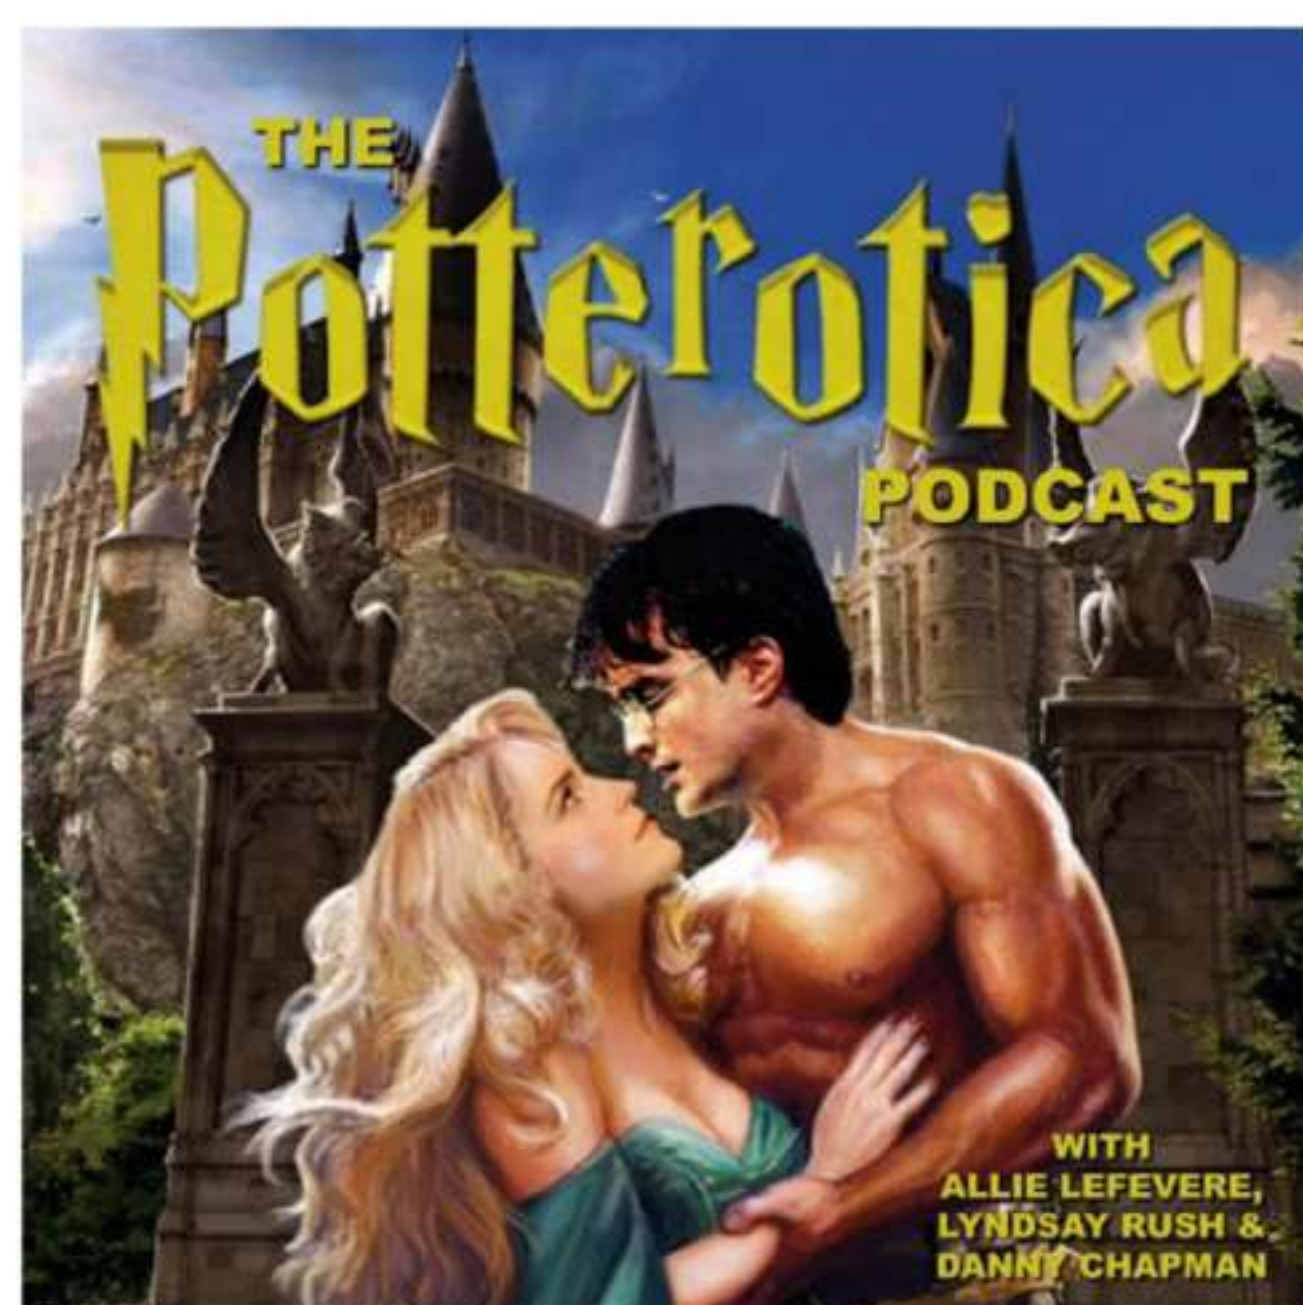

DOWN AND DIRTY SEXY HOT ADULT STORIES FROM THE STREET

www.itunes.com/down-and-dirty

DDSHASFTS “is designed to get you off.” Popular story categories include “Voyeur,” “Through The Hole,” and “Stiletto Ass Action.” Sponsored by the Amazon of ergonomic butt plugs, Adam and Eve, the female host playfully asks, “Are you looking forward to getting down and dirty bitches?” before switching on her own vibrator and diving into

a filthy tale about a porn store peep show and how one woman's curiosity got the best of her, as she donned a wig and a pair of glasses to make an anonymous visit to the local glory hole. Her disguise is trumped when she ducks inside the tiny crust-covered jackoff booth with its random holes, when in flops one extremely long, crooked, still-growing, god-awful penis. Feel the heat and smell the stench of disinfectant and curdled spunk.

POTTEROTICA

www.potteroticapodcast.com

What, Harry Potter-themed fan fiction and erotica (Harry has turned 18, mind you) for people who are into that sort of thing. And, believe us, there are a hell of a lot of people who are actually into this stuff, judging by the amount of Potter

P's forte is erotic post-mortems and on one unforgettable episode he interviews a happy-ending Asian masseuse while she smacks his ass, orders him to turn over, and dribbles baby lotion onto his knob for a standard jack shack handy. All we can say is the good doctor, Hunter S. Thompson, would give this podcast a thumbs up.

SEX TALK WITH MY MOM

www.sextalkwithmymom.com

Sex Talk With My Mom is guilty as charged. It's a guy talking about fucking with his mother—NOT FUCKING HIS MOTHER, YOU SICK FUCKER! That's a different podcast. This podcast

started when host Cam Lee started a youtube channel and asked his mom, Karen, about her sexual adventures while offering the smattering of "sex, dating, and relationship advice." Mom may be a cougar and the son a bit more Mellencamp, but the dynamic is fresh and Mommy Dearest does seem, from time to time, to enjoy a good dicking. Cam Lee claims to have studied Public Policy at Stanford University,

and "Cuckolds R Us." No, really. Sort of like listening to a convict admit to her crimes. She's been at it for over 10 years, which makes her one of the First Ladies Of Fuck. "A Prairie Home Companion" for people who hook up on Craigslist, minus the songs about ketchup.

SWINGERCAST

www.swingercast.com

Hosts Allie and John are swinging lifestylers who describe their most lurid tales of bedroom antics and adventure and what it's like fucking other people in an "open marriage." Recently, Allie described her affinity for anal sex and the pair tackled the intimate and no doubt complicated etiquette that govern any modern foursome (and we're not talkin' golf), most notably:

"Who goes where?" In the end, what you learn is, it really doesn't matter as long as you're playing the game with these two fucking freaks.

Podcasting is one of the more exciting and bright stars currently shining on the Internet, and in the past few years it's really starting to come into its own. New Podcasting corporations like Gimlet are multi-million dollar entities that are growing exponentially, but anyone can start their own podcast and with a little bit of luck—and an even smaller initial investment—you could score big and one day join the porn podcasting elite.

Just because anyone can create a podcast, doesn't mean that everyone should.

For every PEACHBOOTH there are a dozen more rotten lemons, hosted by anonymous creeps who promise the world yet deliver squat. Podcasting is a dirty business. It better be if it expects to compete with VR (virtual reality).

Then again, perhaps it's the limits that podcast have to face that are part of its appeal. Rest assured that after more than two decades of "All Porn, All The Time", we can all probably use a break.

THERE IS FEEDBACK AND FARTS. PEOPLE COUGH, SNEEZE, AND PUKE AND ITS ALL PART OF THE CHARM THAT IS PODCASTING.

fan fiction on the web and the number of addicted listeners who tune in.

THE MANWHORE PODCAST

Self-proclaimed "slut host" Billy P. insists that "my listeners seem to like where my dick has been," and then he tells the latest tale of the vaginas he's recently sullied, sort of like Johnny Cash rattling off the cities he's performed in.

ON THE SET

WICKED PICTURE PRESENTS **TAKERS**

ALL IMAGES COURTESY OF WICKED PICTURES

The latest big budget Wicked Pictures release, *Takers*, has clever plotting, well-etched characters, and occasionally angry political commentary. It will remind you of *Coma*, *Sympathy for Mr. Vengeance*, and *Never Let Me Go*—films about illicit organ transplants. But what's here is profoundly original and way off the beaten path from your standard adult feature.

Asa Akira &
Brad Armstrong

In *Takers*, the head of a thriving black-market human organ operation recruits women to lure in male targets for harvesting purposes. An angry survivor vows to close the business, and that's where our story begins.

In the not-too-distant future, health care practitioners have the right to deny care to anyone who is un- or underinsured. A lucrative black market emerges as a result, particularly in human organ transplants. Savvy businessman **Alex Hendricks** operates one such

operation, luring in desperate women who need an organ to ensure a loved one's survival. Once the organ transplant is successful, the women are forced to work to repay the debt by working for Hendricks.

Comely **Karen Clarke** is in Alex's employ. Her boyfriend, Daniel, needed a kidney transplant, which Alex provided at a high price: Karen must lure male targets to a hotel room with the promise of sex. Once in the room, she slips them a mickey and lets in two "cutters"—men who can remove an organ and stitch up the victim.

Karen lures **Mark Duncan** to a hotel room, engaging in sex with him before the cutters arrive and remove

his kidney. **Sienna Moore**, another Hendricks employee, coaxes pharmaceutical exec **Tim Keller** away from a convention, and he loses an organ. Things don't go as smoothly for **Carrie Atkins**, who arrives at insurance man **Bob Lewis**'s hotel room, only to find another woman there. She has a bad feeling about the assignment, and sure enough, the cutters botch the job and Lewis is found dead in the bathtub.

An angry Mark Duncan, recovering in the hospital, meets with FBI agent **Nic Tyler**, who's brought along security camera photos of Karen. Tyler also has a possible license plate number, but Mark takes matters into his own hands, calling in a few favors to learn of Karen's address.

Back in Hendricks's secret hideout, he's called together his top three "takers"—Karen, Sienna, Carrie—to discuss how to handle the dead body in the bathtub. He urges the women to bond, which they do by sharing their sad stories of how they came to work for Alex, followed by three-way Sapphic sex.

Karen gets her new assignment from Alex, but vengeful Mark waits for her

in the car. He forces Karen back inside her home, threatening to shoot her and Daniel, who has no idea what his girlfriend has really been doing for Hendricks. Karen spills all and Mark insists she take him to Hendricks's hideout.

Mark and Karen stake out the big man's surroundings. After Hendricks's buyer leaves, the two sneak in and confront the slick criminal. Hendricks promises to arrange some sort of compensation for Mark's ordeal, and also indicates Mark was chosen as payback. Hendricks targets those who work in the medical, insurance, and pharmaceutical fields, those who have enriched themselves at the expense of others' health. Hendricks insists that even if Mark shoots him, someone else will just take his place. Mark throws a handful of bills at Karen, yelling at her to get out. As she's walking towards the exit, Karen hears gunshots and Hendricks screaming.

Veronica Ricci screams at the top of her lungs. "I'm cumming! Fuck, fuck, fuck! I'm cumming!" Lux has to stop licking Veronica's pink clit in order to quiet down her orgasmic friend. "Shhhh! Be quiet!" Lux hisses, making the girl-juice on her lips spray in a sneeze-like mist. "I can't eat your pussy, Veronica, if you don't hush up! We're gonna get caught! My grandparents are right downstairs!" Wow, that's awkward, Lux! But we're sure grandma understands.
